Re: St. Kitts & Nevis International Ship Registry

Please be advised that this office is the designated point of contact for our Administration for Port State Control matters and inspections carried out on St. Kitts & Nevis flagged vessels. Our Ship Inspection Head Office is located within the Department of Maritime Affairs, Basseterre, St. Kitts.

We consider the relationship between a Port State and Flag State as a mutually beneficial partnership. Any deficiencies or detentions of our ships are investigated with the Owners and Classification Society who issued the Statutory Certificates as needed. We therefore, welcome any such reports or comments that you may wish to send us.

If you have any questions about St. Kitts & Nevis International Ship Registry, please do not hesitate to contact us.

Yours sincerely,

Nigel E. Smith
International Registrar of Shipping & Seamen
